

MOVE TO THE CLOUD

The Government is in the process of rolling out Making Tax Digital, which affects all businesses that are VAT registered and have sales over £85,000. If this affects you then you need to be preparing your accounting records on an accredited software package. If this doesn't affect you then may be this is the time to jump onto a cloud based package? Digitalisation is here to stay and although the adoption of a new system may be daunting there are lots of benefits that you will notice from using such a system. We are here to help, advise and support you on this transition.

Our services include:

- Book-keeping and preparation of accounts
- Tax and VAT returns
- Making Tax Digital and Cloud Software
- Advice about diversifying
- Negotiations with HMRC
- Tax planning and advice to minimise tax
- Preparation of business plans
and presentation to banks
- Succession and retirement planning
