

Download the Deans App now

Deans has launched its mobile phone App Full of functionality including tax calculators, tax rates and tables and a mileage tracker so that you keep record of business journeys We can also use the App to communicate with you for example - sending you a meeting reminder Best of all its free!

Download instructions

- Go the App Store/Google Store
- Search for “AccountantGo” and download
- Once downloaded it will ask you to enter the name of your accountant - type “Deans” and confirm
- Enter your details as requested
- Select “Link Account”
- For security you will have to enter a pin code that will be sent to you via text message
- The Deans App on the reverse should now appear and is ready to use
